

ANTI-BULLYING CAMPAIGN
Break Through the Cloud of Bullying

Positive Programme for Younger Children Now Available

July 14, 2019

Anti-Bullying Campaign Notice

**Given the literacy issues among very small children,
our "Themes for Younger Children" section consists,
for the most part, of small children's video clips
with prepared questions that teachers can ask the children
after they watch the videos. For these 4 - 7 year olds
the focus is on *friendship, kindness and respect.***

Just click on Primary Level, then on "Themes for Younger Children."
